

Urganch State University guarantees the right to use the sports facilities included in its structure for all youths of the neighborhood based on the appropriate schedule. Even if they do not study at the university, local schoolchildren and minors who join the university sports club have the opportunity to use the above sports infrastructure. The following competition is proof of that.

To educate students in higher education institutions to be physically mature and morally perfect people, perfect in the spirit of loyalty to the Motherland, to implement the development of physical education, health and mass sports at the level of modern requirements, to interest young people in Olympic sports and national sports. and in order to increase their attention and organize students' free time outside of class correctly and meaningfully, at Urgench state university, the President of the Republic of Uzbekistan on April 11, 2021, "Measure to bring youth involvement in public sports to a new level - in order to ensure the implementation of the decision No. PF-201, in cooperation with Urgench state university, on the initiative of "UrSU" sports club, on September 15, 2021, a mini sports competition held between students of Urgench state university and the youth of the neighborhood competitions held in football, volleyball and sports.
