

The Faculty of Chemical Technologies

Full name	Djumaniyazov Zokir Bazarbaevich
Position	Senior Teacher of the Department of Chemical Technologies
Phone	+998937545556
E-mail	dj_zokirbek@mail.ru
Organisation's phone	+99862 2246700
The Address of Organisation	Urgench city Hamid Alimjan Street 14. 220100

Education	<ul style="list-style-type: none"> • 2020 Urgench State University (associate professor) • 2011-2013 Tashkent University of Chemical Technology (Master's Student) • 2007-2011 Urgench State University (Bachelor's Student)
Experience	<ul style="list-style-type: none"> • 2020-current Senior Teacher of the Department of Chemical Technologies • 2017-2020 Base doctoral student of the Department of Chemical Technologies of Urgench State University • 2014-2017 Lecturer of the Department of Chemical Technologies of Urgench State University • 2014-2014 Chair of the Khorezm regional agrochemistry station laboratory • 2013-2014 Specialist of the Department of textbooks and educational documents of the Tashkent Department of public education
Specialty	<ul style="list-style-type: none"> • Chemical machinery of chemical industry and building materials. Engineer technologist
Subjects instructed by	<ul style="list-style-type: none"> • Chemical engineering processes and devices, equipment and details for the production of silicate materials, Metrology, standardization and Quality Management.
Research work	<ul style="list-style-type: none"> • The Technology of Production of mechanical stable and chemical resistant ceramic trail based on local raw materials (PhD theme)
Research works	<ul style="list-style-type: none"> • Babaev Z.K., Djumaniyazov Z.B., Yaqubov Yu. X., Xudayberganov E.X. Development of structure of ceramic brick with regard to environmental factors // Elektronic journal of actual problems of modern science, education and training in the region. - Urgench, 2018. - №1.- P. 24-27.
